The Institute maintains two listings on future meetings of ITE Districts, Section and Chapters: one on www.ite.org, the other in each edition of *ITE Journal*. Since these meeting forms are the source for the *listings*, we need your assistance. Please keep us informed of your meetings as far in advance as possible – not only does advance notice ensure publicity of your meeting(s), it also assists our efforts towards planning for an ITE Representative to attend. Thank you.
