

TRAFFIC / TRANSPORTATION ENGINEER

L.K. McLean Associates, P.C. (LKMA) is seeking a full time Traffic / Transportation Engineer in our Hicksville, New York office, located adjacent to the LIRR Station, to provide services for traffic signal design and traffic signal optimization projects, as well as other traffic related projects currently underway. We are looking for a highly motivated individual who can assume a suitable amount of responsibility, and who can work well with supervisors as well as other team members.

Requirements:

- Bachelor's degree in Civil Engineering
- 2-5 years experience
- Familiarity with all aspects of Traffic Engineering
- Proficiency with Synchro & HCS software
- Proficiency with AutoCAD software
- Excellent oral and written skills
- Working knowledge of Microsoft Office software
- Desirable additional qualifications:
 - ✓ FE certification or PE license
 - ✓ Proficiency with Vissim, Civil 3D AutoCAD, and Microstation software

Salary is commensurate with experience. LKMA offers excellent benefits including medical, dental, and optical plans, as well as a 401K plan for full time employees.

Send resume and cover letter to seisenberg@lkma.com.
